

SKIPTON HOLY TRINITY/St. ANDREW

In recent years the minister of St. Andrew's Methodist Church has led Common worship Morning Prayer at Holy Trinity Parish Church on a Thursday morning where both the Diocesan and the Methodist District Prayer Diaries have been available each day. Observers have been exchanged on PCC and Church Meeting bodies leading to two Discipleship Weeks jointly planned, hosted and funded. These have been led by Fr. Bede OSB from Ampleforth and the Revd. Henry Morgan from the Annunciation Trust and have been very positive relationship builders between the Churches as well as providing opportunities for real spiritual growth and development. In addition the two Churches have worked together to provide a junior Confirmation Course, taught and staffed by clergy and lay folk.
