A TWO YEAR INTRODUCTION TO SPIRITUAL DIRECTION

- Are people drawn to you to talk about their hopes and fears in their walk with God?
- Have you sensed that God might be calling you to a ministry of spiritual companionship in this way?
 - Do you think some exploring of your own journey, and some experiential training might help develop your gifts?
 - Then this could be just for you!

The two-year course starts in January 2012, based at The Briery, Ilkley on one Tuesday each month, and it is open to lay people and clergy of any Christian denomination

Numbers are limited, and all applicants will be interviewed before acceptance onto the course
